

Best Bud dba The Rainforest Collective

To the City Council of Los Angeles;

As a business owner/manager in Mar Vista, I attest that The Rainforest Collective has been a good addition to our neighborhood.

The store front has been maintained beautifully and the business has been managed to be a true asset to the community.

We have not noticed any negative impact and the increased foot traffic is sorely needed, in these hard economic times.

We ask that the city counsel of Los Angeles grant their hardship application and allow The Rainforest Collective to remain , as an example of how a collective should be run.
