GST officers arrest one for Rs 129 cr tax evasion through illegal manufacture, supply of cigarettes

New Delhi, Officers of GST investigation arm DGGI have arrested a Haryana resident on charges of manufacturing and supplying cigarettes illegally and thereby evading taxes of over Rs 129 crore, the Finance Ministry has said.

The Directorate General of GST Intelligence (DGGI) Gurugram Zonal Unit (GZU), Haryana has arrested one Satyender Sharma, resident of Haryana, on charges of manufacturing and supplying illegally manufactured cigarettes without the requisite tax paying documents and without payment of applicable

GST and cess, the ministry said.

The total tax evasion of more than Rs 129 crore is pegged to have been committed by the accused, it added. Investigation conducted across Delhi and Haryana revealed that Sharma manufactured and supplied cigarettes under his registered brands 'Nidhi Black' 'Gold queen' and 'E-10. Apart from these, the investigation also revealed that Sharma was illegally manufacturing cigarettes under the brand names of 'Paris', 'Pine', 'Black Djarum' 'Esse Lights' which are international trademarks owned by other companies. All these cigarettes were be-

ing cleared clandestinely without payment of applicable GST/ cess," the ministry said. Sharma transported these illegally manufactured cigarettes to New Delhi for further supply across India, it added. Based on documentary evidence recorded of all persons during investigation, it was ascertained that Satyender Sharma is the key person in running this racket of manufacturing cigarettes without payment of applicable GST as well as illegally manufacturing cigarettes under international brand names, the ministry added.

Manufacturing GVA growth in Q2 'surprising': SBI Report

New Delhi, The manufacturing sector played a major role in narrowing down the India's GDP contraction in Q2 of FY21. An SBI Ecowrap report, however, dubbed the growth in manufacturing GVA as "astounding" as the IIP manufacturing for the same period declined by 6.7 per cent. India's GDP in the July-September period contracted 7.5 per cent, compared with 23.9 per cent in the preceding quarter. The GVA in Q2 2020-21 from the manufacturing

sector grew 0.6%, as compared with a degrowth of 0.6% in the corresponding quarter of the previous fiscal.

The report by Soumya Kanti Ghosh, Group Chief Economic Adviser, State Bank of India, said: "Though the whole press release is full of surprising numbers, the most astonishing number is the positive growth in manufacturing in Q2. He noted that despite being the worst affected sector in Q1 (due to lockdown), it is quite puzzling how manufacturing turned itself around. The IIP manufacturing and manufacturing GVA growth are highly correlated (almost more than 0.90) and this correlation collapsed in Q2 when IIP manufacturing declined by 6.7% (average of July/August/September) while manufacturing GVA grew by 0.6%.
