

Join our 2017-18 Remind Preschool class to stay informed of important dates and information from Prairie Pals Preschool!

If you are new to Remind, it is a messaging tool that was designed specifically for schools to promote a safe way of transferring and distributing important updates and reminders to a class or school group.

The easiest way to join our Remind class group is to download the Remind app to your smart phone. You can go to the app store on your iOS or Android phone and search for Remind. It is a FREE app to download and use. Once the app is installed on your phone, simply open the app and click on the Classes tab from the bottom menu and click Join a class. Our class code for Prairie Pals 2017-18 Preschool is the 8-digit code **PP1718PS** (key that code after the @ in the text box).

& you're all set! You are now a part of the Prairie Pals 2017-18 Preschool Remind class. We will utilize Remind to communicate brief reminders, link to information on our website and important upcoming events/dates. All notifications are saved in the app and can be accessed for quick and easy reference.

We hope this tool will help keep our families informed of all the exciting things we have going on at Prairie Pals throughout the year and allow you to readily access the information without having to save or search through emails. If you have any questions or feedback about the app or our Remind classroom, please let us know!

Many thanks!

PS...if you prefer to receive our Remind updates and information via text or to your email instead of utilizing the app, you can reference the instructions on the backside of this page for detailed instructions on joining using those options.

PPS...if you are a member of our 2016-2017 Preschool Remind class, you will need to join this class as well to receive information specific to next year's program. The 2016-17 Preschool class will be deleted at the end of the school year.
