The Ministry of Culture issued a notice requesting the immediate ban on "Falun Dafa" audio-visual products

The Ministry of Culture recently issued a notice requesting the cultural administrative departments at all levels and the administrative departments for audiovisual products to immediately ban the "Falun Dafa" audio-visual products.

The notice said that in accordance with the decision of the Ministry of Civil Affairs to ban the Falun Dafa Research Society on July 22, 1999 and the spirit of the Ministry of Public Security, according to the relevant provisions of the Regulations on the Administration of Audiovisual Products, audio-visual products that promote the content of "Falun Dafa" (Falungong), All are illegal audiovisual products and must be banned. The administrative departments of culture at all levels and the administrative departments for audiovisual products shall immediately inspect the audiovisual market and prohibit any units and individuals from wholesale, selling, leasing and screening audiovisual products that promote "Falun Dafa". Once they are found, they must be collected and destroyed immediately. Punish the operator. Anyone who violates the above provisions constitutes a crime or undermines the order of social security management shall be referred to the public security organ for handling.
